## Built on legal excellence

Whether in Toronto, New York, Calgary, Montréal or Halifax, we are uniquely structured to work as one team—on matters spanning Canada, the U.S. and worldwide.

We are partners vested in our clients' success. We combine our technical skills with broad cross-practice, multijurisdictional reach and collaboration to help resolve their most challenging matters. With leading lawyers and a cohesive, multidisciplinary approach, we have the ongoing privilege of assisting clients on precedent-setting and complex work across industries.

We are proud of our preeminent standing in the legal directories and of the awards earned by our people and for our work. With the long term always in view, we strive to excel year over year in pursuit of our clients' goals.

“

[C]reative and business-focused problem solvers... I trust them with my thorniest files—I know they will worry about us between calls. They are partners in what we do.
