

TORYS

JUNIOR CORPORATE ASSOCIATE, CALGARY

Torys LLP is a highly respected international business law firm with offices in Toronto, New York, Calgary, Montréal and Halifax. We focus on maintaining long-term relationships with Canadian and international clients who demand the best advice and service from their outside counsel. We believe that our continuing success over many years has come from adherence to our core values of excellence, client service, collaboration, long-term thinking and utmost professionalism and integrity. Dedication to professional excellence and outstanding client service is Torys' hallmark. Of equal importance is our commitment to maintaining a collegial working environment – one that brings together individuals with diverse backgrounds, personalities and styles in an atmosphere of friendship and team spirit. As a Torys employee, you will enjoy both an exciting, fast-paced work environment and a supportive, collegial and team-based culture. At Torys, we take pride in our ability to attract and retain individuals who excel in their respective fields. We do this by providing stimulating work and learning and development opportunities, as well as a competitive compensation and benefits package.

POSITION OVERVIEW

The ideal candidate will have a least 1-3 years' experience at a major Canadian law firm with a focus in the oil and gas industry. You will be working with a strong and interactive team that focuses on advising various oil, gas and power companies on a variety of commercial projects and transactions. The ideal candidate will bring with them a positive attitude, a team orientation, an exceptional service ethos and a demonstrated work ethic. Excellent credentials are essential. All qualified applicants will be members in good standing with the Law Society of Alberta.

SKILLS & EXPERIENCE

The successful candidates' experience will include:

- Some experience drafting, reviewing and analyzing contracts, including but not limited to oil and gas leases, service agreements, joint operating agreements, participating agreements and other agreements necessary to conduct operations
- Some experience advising and participating in the review of significant oil and gas legal matters including title disputes, contract disputes, leases, unitization, operating agreements, acquisition and divestiture due diligence, easements and condemnations
- Some experience working on a variety of energy and infrastructure matters pertaining to: development, including joint ventures, construction, operation and maintenance, logistics and transportation, processing and making arrangements as they relate to LNG, oil sands, shale gas and power projects
- Some experience working on the acquisition and divestiture of upstream, midstream and downstream assets, pipelines, transportation matters and energy products, as well as the marketing of energy and energy-related products
- Some experience drafting core E&P agreements, master service agreements, and other procurement agreements
- Excellent teambuilding and communication skills, both written and oral
- Strong organizational skills to perform and prioritize multiple tasks with excellent attention to detail

Interested candidates should forward their cover letter, resume, undergraduate and law school transcripts in confidence to Jocelyn Harris at jyharris@torys.com. We foster an inclusive and accessible environment and are committed to providing support to applicants and firm members with disabilities. If you require immediate accommodation at any time during the recruitment process, please contact Jocelyn Harris, Professional Resources and Administration.
